JERSEY CAPE YACHTS - A COMPLETE MARINE COMPLEX

*** Page 2 - THIS IS AN INTEGRAL PART OF THE JERSEY CAPE SPRING LAUNCH CONTRACT AND YOU MUST SUBMIT BOTH PAGES INDICATING YOU HAVE READ AND AGREE TO THE POLICIES OF THE JERSEY CAPE YACHT YARD**

* Our goal is to provide you with the best, most convenient and cleanest full service facility in the Mid-Atlantic area.

Owner maintains that the vessel does carry liability insurance and agrees to hold harmless, Jersey Cape Yachts for any and all claims relating to the haul or launch of the vessel.

Owner further agrees to hold harmless and indemnify Jersey Cape Yachts from and against any and all damages including but not limited to: fires, flooding, weather conditions, or other claims for any reason. Owner agrees to hold harmless and indemnify Jersey Cape Yachts from loss or damage of any personal property or equipment left in or on the boat. Jersey Cape is not responsible for lost or stolen items, transducers, trim tabs, antennas, or any other equipment that may be damaged due to handling, blocking or other service to the boat including shrink wrapping.

*** No outside sub-contractors will be permitted to work in the Jersey Cape Yard without pre-approval from our Service Department.**

ALL VENDORS MUST SUBMIT PROOF OF LIABILITY AND WORKERS COMPENSATION INSURANCE NAMING JERSEY CAPE AS ADDITIONAL INSURED. VENDORS WILL WORK DURING REGULAR BUSINESS HOURS.

*** GATE CODE- The entrance gate code to the Jersey Cape property is not to be given to any subcontractor for any reason. If your contractor is working on the weekend, you MUST be present to allow them access. Any contractor found on the property will be immediately asked to leave and jeopardize your future storage with Jersey Cape.**

*** NO EMPLOYEE OF ANOTHER BOAT MANUFACTURER OR MOONLIGHTERS ARE PERMITTED IN THE SERVICE YARD AT ANY TIME UNDER ANY CIRCUMSTANCES.**

Ground cover and protection of/to other vessels must be used when scraping, painting underwater gear and bottoms. Only hand bottom sanding is permitted on boats and spraying is not permitted at anytime. The surrounding area must be left clean and your supplies etc. must be stowed on your boat or removed each day.

No discharge of bilge, tankage or hazardous waste is allowed, except into approved containers or drums, and must be removed offsite by boat owner. Immediately Notify the Jersey Cape office of any spillage or discharge of any fluid. Any labor required, fees or Environmentally imposed fines will be the responsibility of the owner.

Boats may be plugged in to dockside service while owner or captain is on board. Any boat left plugged in while owner or captain is not present will be un-plugged unless electric service is contracted through our service dept.

If Jersey Cape is picking up or delivering your boat, be sure it is in good working order and has a sufficient amount of fuel.

If mechanical failure occurs, Sea Tow will be dispatched at the owner's expense and additional Captains service time will be charged to your invoice.

If Jersey Cape removes and/or stows any canvas enclosures, understand that cracking is possible due to inclement weather and we can not guarantee proper fit upon reinstallation.

Equipment, tools and/or ladders will not be lent.

* Submission of the above contract signifies that you have read and understand the terms, conditions and policies of this facility and will hold Jersey Cape Yachts harmless of any circumstances beyond their control.
